GALA 2025 Remember

SEPTEMBER 23

PADUCAH MCCRACKEN CO. CONVENTION & EXPO CENTER
DOORS OPEN AT 5:30PM; DINNER & PROGRAM AT 6:00PM

We are thrilled to announce the theme of this year's Gala: *Remember*, from Lamentations 3:21-23. Join us in celebrating the 36th annual Gala as we share a meal, stories, and the impact of our centers in the past year. Prayer and planning are in the works, and your partnership makes it possible! Each year, churches, individuals, and organizations come together for a night of encouragement and worship, as we help change the lives of families in our community. This year will be no different! We are excited to have the Jason Lovins Band with us! Jason's story is powerful, and his music is worshipful. Click [HERE](#) to become an Underwriter, which includes 8 tickets, and more are available at no cost upon request. Table hosts and seating instructions will follow. We can't wait to share this night with you!

Have you seen us around town?

We are so excited that our van wrap is complete! Thank you to First Baptist Paducah, Heartland Church, and Lone Oak First Baptist for helping with this project. It has already led to amazing conversations out in the community!

Client Story

Alexis Dickerson

"When I joined Hope Unlimited in 2004, I was a teen mom who lacked the skills and knowledge of what motherhood was to be. I was a kid with a kid. Hope Unlimited provided me guidance with resources given for motherhood, child development, my faith and most importantly a mentor who didn't judge my flaws. My mentor supported me by walking me through resources and life in general. She was an example that I needed in my life. I was a client for over 15 years. Hope was a stepping stone in my faith and motherhood journey, which gave me the confidence I needed to be the mom God called me to be."

Thank you to the Carson-Myre Foundation for your support of Hope Unlimited. Your financial assistance ensures that we can meet the needs of moms, dads, and families within our community. We are thankful for your partnership!

I want to say a huge "thank you" to those who are participating in our Baby Bottle Campaign! It's because of you that we can continue to see "change" in a positive way in the moms and dads we serve. 🍼🍼🍼

It's GALA time and we need you in the room! This event is our biggest fundraiser of the year and God has BIG plans for the future of Hope Unlimited! Underwriter forms are available [HERE](#). Let us know you are coming!

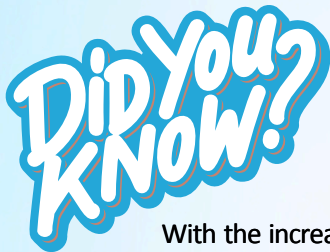

I remember, and therefore I have hope; Lam. 3:21. Hope is the confident expectation that God has created us all in His image and each person we encounter throughout our day needs to be seen and treated like an image bearer of our great God! It is amazing how a tired and lonely mom responds to our words and a smile when she feels seen and loved. These small gestures, that we get to freely give, makes a huge impact. YOU are helping us make that kind of impact every single day at Hope.

You or someone you know might need the services Hope Unlimited offers. Please share what we offer as often as you can. There are pregnant first-time parents who need knowledge and support, hurting moms and dads who need a positive influence in their lives and unplanned pregnancies who need someone to tell them "You are not alone."

Thank you for seeing the need, praying for us and those we serve, as well as understanding that we can't do this without you. I'm convinced that everyone can do something to change a life each and every day. What part of your story could you choose to *Remember* and share? It might be exactly the *Hope* someone else needs to make it through one more day!
